Twin City Baseball & Softball Club

The Club will be a training and work out facility for young prospects to improve their skills, both physically and mentally, and prepare them for the next level of play. This indoor facility is first of its kind for Southwest Michigan.

It will be composed of former professional players, professional coaches and former college baseball players providing proven hitting, fielding and pitching techniques and instruction to young kids. Training will be provided through private, group, or team sessions. Various clinics will be offered throughout the year also providing hitting, pitching and fielding instruction. Players and teams can work out on their own through cage, pitching lane and field rental.

“Players are Made in the Off-Season”
